

Beam me up, Scotty!

I would have never thought that a phrase from Star Trek would mean so much to me, but now it does. Every day after school, a student, we can call her D, comes into the Cellar. She throws her book bag down, grabs a seat, slams a quarter down on the bar and says "Beam me up, Scotty!"

Of course, she's only asking for a can of pop, but it kicks off the conversation. There have been days after school where we have talked from the moment she walked into the Cellar to the moment she had to go catch her bus home. I've seen so many YouTube videos and listened to so many different music artists because of D. Our friendship is growing and it is so exciting!

Like our lives, D's life isn't perfect. Her home life is shaky, living with one parent who often forgets to food shop. She seems to be on her own a lot. Known struggles have been depression and different health issues. But, she keeps going and she keeps coming to the Cellar. My prayer is that before D graduates, she meets Jesus.

Thank you for your support of the Cellar ministry where students like D can come and receive the love of Jesus.

In light of Youth for Christ's Cities Pursuit initiative, we've changed our name from Downtown Campus Life to Downtown Pittsburgh City Life. We continue to meet in the Cellar (located in the basement of First Presbyterian Church).

What is City Life?

City Life is an effective ministry model to transform the lives of urban youth, their families and the communities that they live in.
